Stunning Start
Excavating the secrets of the past!

Excellent End
Indus Valley Archaeology project

Asia
Summer 1

History

Pupils will explore where the Indus Valley was located. They will place it on a timeline and compare Indus Valley settlements with Bronze Age British settlements. They will describe the trade routes and modes of transport used by traders of the Indus Valley while exploring some of the theories of why this ancient civilisation declined.

Art & Design

Pupils will research and create replicas of some of the artifacts associated with the Indus Valley Civilisation using modelling clay and other art resources

English

Non-chronological report
Emperor Penguins

Objectives: to write a non-chronological report about Emperor penguins. Children will extend their knowledge in writing sentences

- that contain expanded noun phrases, relative clauses and fronted adverbials
- that are consistent in their use of tense

Computing

Databases: **Pupils will be taught to**

- search for information in a database
- contribute to a class database
- create a database on the Indus Valley
