NEWSLETTER

Dear Parents and Carers,

We have only had three weeks of the summer term, but have already had so many amazing experiences! If your child has not already been on a school trip, we will be planning one very soon. Thank you for your financial contributions to these trips and visits. The school does cover as much of the costs as we can, but we simply cannot go ahead without your support.

Please remember that if you are in receipt of Free School Meals, the school has other funds to help cut the costs down even more. See Ms Bull if you think your family might be eligible.

This half term we are thinking about compassion as our value. One of the ways we explain 'compassion' is by imagining that we 'walk in the shoes' of other people, imagining what their life must be like and taking action to help where we can.

Please talk to your children about how and where they show compassion to others, and listen to their ideas too. Like me, you will be so proud of how well they continue to be Useful & Kind.

On Wednesday 27th April, Year 2 went to the Shuttleworth Collection. In their previous topic, Machines, Year 2 learnt about early aviation and at Shuttleworth they were able to see planes through history and try on some of the headgear. The trip finished with all the children riding a vintage bus.

Sean Rose visit to Priory Primary School

We had a very lovely visit from Sean Rose, Paralympian, who told us his extraordinary story and motivated us all to exercise more!

He engaged us in a highly sporty morning. It was tiring but definitely a good session work out!

Multi-Sport Afternoon

Year 3 went to Kings Oak Primary School for a multi-sport afternoon. They participated in three different games - golf, kwik cricket and rounders. The whole afternoon was packed with lots of energy and fun. There were other schools taking part which made the afternoon exciting, and some of our pupils got certificates for demonstrating the values of Honesty and Team work. Well done!

Reminder - Uniform Standards

Thank you for sending your children to school in correct uniform – we are looking very smart these days...
