

Autumn Term 1

Maths

Pupils are refining their knowledge of place value, working with numbers between 1 000 000 and 10 000 000. Pupils will be exploring the four operations, in combination and in isolation. Pupils are dividing 3- and 4-digit numbers by 2-digit numbers using a variety of methods.

PE

Hockey - pupils will improve their defending and attacking skills playing even-sided games. They will start to show control and fluency in dribbling, sending and receiving a ball in a small game situation and under some pressure. Pupils will be encouraged to think about how to use tactics and collaborate with others to outwit their opposition. Pupils will comment on their own and other's performances and suggest ways to improve. They will also recognise the importance of fair play and honesty while self managing games

Religious Education

Christianity - What would Jesus do?

Read Gospel texts and look at different interpretations.

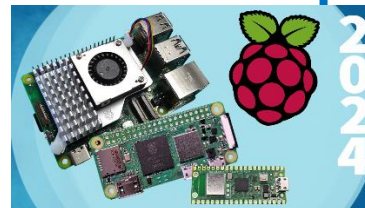

Make clear connections between Christian teachings and issues in the world today.

Articulate their own responses and recognise that different points of view are valid.

Computing

E-safety - how to safe online.

Raspberry Pi - building and programming.

PSHE

Children's rights and responsibilities;

United Nations children's rights act;

Rights and responsibilities in school, at home and in the community;

How to make your voice heard;

Parliament and how it works.

Music

Ukulele - learning to play new chords, using open strings, composing music, writing musical notation on a treble stave.

MFL

Sport and hobbies:

How to say a variety of sports and hobbies.

How to communicate what they like and don't like.
