Key Facts

The World is made of seven continents. The continents are Asia, Africa, North and South America, Antarctica, Europe, and Australasia. The World is made of five oceans. An ocean is a very large area of salt water. The oceans are Pacific, Atlantic, Indian, Southern and Arctic.

Art

To use printing techniques to create leaf pictures. Pupils will go on a leaf hunt to find different leaves. The leaves are used for printing to make a picture. **To photograph leaves and print them to create a left collage.** Pupils will use the iPad to take different leaf photos. These photos are used to make a leaf collage. **To use a variety of shading techniques to add detail to my leaf drawings.**

Using the leaves, the pupils have found on their leaf hunt, they will draw them. Pupils will observe the lighter and darker shades and try to include shading in their drawings.

To use different materials to add colour to my drawings.

Pupils will use oil pastels to add colour to their leaf drawings.
