Religious Education

How and why do people try to make the world a better place?

Children will learn to:

- make links between religious beliefs and teachings
- make simple links between teachings about how to live and ways in which people try to make the world
- identify some differences in how people put their beliefs into action
- raise questions and suggest answers about why the world is not always a good place, and the best ways of making it better

PE

Cricket

The children will develop their thrown, catching and racket skills during this net and wall unit. They will practice their speed and agility by changing direction quickly to follow the path of the ball.

When things get difficult, they will practice their determination and perseverance to achieve a rally in tennis with a partner.

Basketball

The children will take part in this invasion game. They will develop their understanding of attacking and defending, how they can lose a marker and find space to support their team.

They will practice shooting and the basic rules of basketball, including double dribbles.
