Dear Parents / Carers

This term's value has been LOVE.

Here are some of the things we have talked to your children about:

Love is UNCONDITIONAL - we do not really love someone if we say or imply that we will only love them if they say, do or behave in a certain way.

Love is IMMEASURABLE - like in the story of 'Guess How Much I Love You', love is not something that can be measured, and does not have an end point where we run out of love!

A unifying feature of all our different faiths is that our deity, our god, has INFINITE and POWERFUL love for us and our earth.

You will remember that we are a Useful & Kind School - the full title of this award is actually Useful & Kind **Unlimited** and we have noticed how our U&K actions have in fact been an expression of our value of love. During this half term, the whole school fundraised for **Show Racism the Red Card**, **Children in Need** and **Save the Children**. Last week, our wonderful Year 6 pupils toured around three different Care Homes, singing festive songs to older people. All of these things are loving, useful & kind actions. What a joy it has been!

Kind regards,

Mrs Fraser

Wraparound Care

Working parents / carers!

Remember that the school provides Wraparound Care from 7.30am to 5.30pm Monday to Friday.

You can find out more on our website <https://prioryprimary.co.uk/community/>

We are funded to keep the costs as low as possible, but need to build up our numbers if we are to keep this going.

Pupils have lots of activity options, games, a relaxed atmosphere and a healthy food snack - give us a try and see how it can help you.

Parents in receipt of Universal Credit can also claim 85% of their childcare costs back via your UC account.

PUNCTUALITY

Too many children are coming into school late!

LATENESS IS RUDE AND CAUSES: *Disruption in the office
*Disruption in the classroom *Disruption for the teacher and other children

IT ALSO: *Impacts your child's learning *It is very disrespectful to staff, other parents and children

Attendance Matters

ATTENDANCE

It is the expectation that children are in school **every day**. We understand that sometimes children are unwell. Please ring the school office **each day** that your child is absent to let us know what is wrong with them. You can leave a message on the answerphone if no one picks up. Clearly give the reason for absence - to say "not well" is not good enough, you must state what the illness is. Too many absences could lead to penalty fines, referrals to the Education Welfare Service and appearances in court.

LET US DO BETTER NEXT TERM!

We wish you a happy,
peaceful and blessed
Christmas season and a
very happy and
prosperous new year.

See you all in 2026!
