## NEWSLETTER – Spring Edition

Tuesday, 17<sup>th</sup> March 2026

Dear Parents / Carers,

This edition is full of pictures from the busy, busy half term since we returned to school.

Thank you for all the efforts you made to support your children with our special Dress Up for Your Future Job - at the end of the day a small selection of children talked to us with such imagination and passion about the jobs they are striving towards - how important it is to have these aspirations.

We have also met a number of professionals who came to talk to us about their jobs - the children had lots of questions and discovered more about the life of a musician, a beautician, a physiotherapist, graphic designer and charity workers.

In the midst of all this we had World Book Day, where each class focused on a particular author - the activities and conversations that came from this were amazing, and really moved forward our pupils' love of reading.

Finally it has been such a pleasure to see so many parents join us in our 'open' Science lessons during British Science Week - thank you to all of you who managed to get time out from your jobs and busy lives to come to school last week.

I know many of you are anticipating celebrations for Mothering Sunday, for Eid and for Easter - I hope the coming couple of weeks bring you all much joy as Spring slowly gets under way!

Kind regards,  
*Mrs Fraser*

(Head Teacher)
