Geography

Locational Knowledge

- locate South America on a world map, atlas, or globe.
- identify and name the countries that the Amazon rainforest and Amazon River flow through
- locate the Equator and the Tropics of Cancer and Capricorn, and explain how they relate to the Amazon's climate and location.
- identify the major cities located within the Amazon region (such as Manaus) and locate them on a map.

Place Knowledge

- compare the climate and weather patterns of the Amazon region with the climate of the UK.
- identify the similarities and differences between a settlement in the Amazon and my own local area.

Human and Physical Geography

- explain what a biome is and describe the specific climate and characteristics of a tropical rainforest biome.
- name and describe the distinct layers of the Amazon rainforest
- explain the role Human Geography:
- describe the way of life, culture, and traditions of indigenous tribes living in the Amazon.
- explain the different ways humans use the land in the Amazon (e.g., cattle ranching, logging, agriculture, and mining).

Stunning Start

Booktastic

Amazing Amazon Summer Term 2

Class Reader

English

Text: The Great Kapok Tree

Children will learn to:

write sentences by sequencing them to form short narratives
build cohesion within a paragraph [then, after that, this, firstly]

link ideas across paragraphs using adverbials of time [later], place [nearby] and number [secondly] or tense choices [he had seen her before]

write from a different perspective

Independent writing:

To write a setting description
To write from a different perspective
To write an alternative ending
To write an adventure story
To write a poem
To write a non-chronological report.
